3/7 -Term 2 ends

Dear families and friends,

Teachers are in the process of completing modified Semester 1 reports. Due to the interruptions to face to face learning our reports will focus on goal setting in Literacy and Numeracy. The reports will also inform you about how your child has engaged with the new Religious Education curriculum and give you a summary of work habits, behaviour and effort applied to learning tasks.

These reports will be sent out via the COMPASS portal on Wednesday, 1st July. If you require a printed copy of your child's report please notify the office and these will be sent home Thursday, 2nd July. We will offer formal parent teacher interviews in Term 3 as COVID-19 restrictions continue to ease. As always, if you have any immediate concerns, please arrange a suitable meeting time with your child's teacher.

There is an outline in the newsletter that provides a summary of getting back to "normality" as COVID-19 restrictions ease over time. We can't wait until we can have our parents more involved in school life again.

This Friday as part of Sport we will have our own modified Cross Country run to comply with COVID-19 restrictions.

Have a great week,
Regina

We have been very busy with our various events and celebrations of late. Last week, we welcomed Mr Luke Burton back into our school. He led our classes in some new curriculum lessons and was delighted to hear our students' learnings and responses. We also celebrated the **Feast of the Sacred Heart of Jesus** in the Church on Friday with a Liturgy of the Word. This following Friday, we will mark the **Feast of Our Lady of Perpetual Help** which falls on Saturday the 27th of June. Our Lady of Perpetual Help is an icon believed to be painted in the thirteenth century featuring Jesus running to Mary for protection from the instruments of his passion. Mary is for Jesus, and us, a symbol of protection. We ask for her help and intercession to guard, protect and pray for the Churches in our Diocese.

COMPLIANCE CHILD SAFE SCHOOLS AND SUPPORTIVE ENVIRONMENTS INFORMATION FOR PARENT HELPERS/VOLUNTEERS

The participation of parents and close relatives of students at the school as volunteers is welcomed and appreciated for various activities in the school. It is important that all volunteers are aware that they are subject to child protection legislation. This means all volunteers must:

- sign in on the *Compass Kiosk* at the front office and obtain a visitor's badge or slip as per school procedure;
- check with the school to ascertain the current legal requirements for working with children;
- not engage in any inappropriate behaviour towards any children. In particular, although parents and volunteers are not employed by the school, they are considered to be 'staff' for legal purposes and are subject to an investigation if an allegation of inappropriate behaviour towards a child is received.
