Dear parents and carers,

It's hard to believe we are already in Week 7 and getting closer to the end of Term 2. Time is flying by quickly!

We have been fortunate to attend some wonderful events over the last week such as the Raising Healthy Booris Community Day and the Life Education Van. As always, we extend our thanks to all involved for their organisation and dedication.

We also have some great events coming up. Milo Mondays are back for the St Vincent de Paul Winter Appeal. Details are included on the next page. On Wednesday, some of the Camp Quality team are visiting to treat us to a puppet show. Then on Friday, we will begin our tennis lessons with Helen Magill. We will also reschedule our Reconciliation Week celebrations as soon as we can.

Please take note of these important dates:

- **Monday 13th June: Queen's Birthday public holiday.**
- **Thursday 16th June: Athletics Carnival in Trundle.**

I hope everyone continues to stay warm and as healthy as possible! Thank you for your ongoing vigilance in regards to COVID testing and keeping children at home when they are unwell. We look forward to putting these days behind us!

Kind regards,
Brooke Hanns.

KEEPING CHILDREN SAFE IN AND OUT OF THE CAR

A child who is properly secured in an approved child car seat is less likely to be killed or injured in a crash than one who is not.

Children aged between four and seven years cannot travel in the front seat of a vehicle with two or more rows, unless all other back seats are occupied by children younger than seven years in a child car seat.

National child restraint laws require your child to be restrained in the car as follows:

- 0 – 6 months: Approved rear-facing child car seat.
- 6 months – 4 years: Approved rear or forward-facing child car seat.
- 4+ years: Approved forward-facing child car seat or booster seat.
- 145cm or taller: Suggested minimum height to use adult lap-sash belt.

Here are a few things you can do to help keep your children safe in and out of the car:

- Children should remain in the car until an adult opens the 'Safety Door.' This is the rear footpath side door of the car.
- A sleeping child must remain firmly buckled up while in the car.
- Assist your children to buckle up – always check the seatbelt is buckled up firmly and not twisted.
- Make it a rule that every passenger must be securely buckled into a seatbelt or child car seat before you start the car.
- Always help your child get in and out of the car through the 'Safety Door.'

Never leave a child of any age in a vehicle without adult supervision. Children may rapidly suffer from dehydration, heat exhaustion and organ failure if left unattended, especially on hot days.

For more information on keeping our kids safe around schools visit the parents section on safetytown.com.au.

cash/envelope ordering

Your school prefers orders to be placed online. However, if you are unable to order online, please complete your order using the order envelope provided.

STEP 1

Complete a separate order envelope for each individual child's package/s ordered. If ordering for more than one child, payment should be enclosed in the envelope of the eldest child and this should be indicated on the envelope of the other child/children (the envelope that does not have cash enclosed).

STEP 2

Enclose exact cash payment in one envelope for the package/s you are ordering. Payment for more than one child should be in the eldest child's envelope and marked at the bottom of the envelope in the space provided.

STEP 3

Return your completed envelope/s, with correct cash payment, to our photographers on the day.

Please note: You must enclose exact correct payment, as change is not available. Credit card payments can only be made online and we no longer accept cheques. There is a separate envelope for sibling photo orders, should your school choose to offer sibling photos.

School photographs will be returned to your school 4-6 weeks after the day of photography

IMPORTANT - "not for publication" students

If you have instructed your school that your child's image is "not for publication" (sometimes called "do not publish" or "not for media release" instructions), the school will ensure that your child is not presented to our photographers on photo day and school photographs will not be available for purchase. If you wish to change your instruction, then you must notify your school, so they change their records and identify your child as able to be photographed for school photography purposes. All students presented to our photographers by your school on photo day will be photographed, their images will appear in school photography packages with their fellow students and these packages will be available to purchase by all families.
