Dear Parents and Carers,

Today we are having a Pupil Free Day. All teachers will be attending a Professional Learning day focused on the new Mathematics syllabus. Thank you to Mrs Melissa Kupkee from Catholic Education Wilcannia-Forbes for facilitating this day for our staff.

Tomorrow there will be a half day show holiday for the Parkes Show. School will conclude at 12pm.

Last week Khan represented Polding at the NSWPSA Rugby Union Championships in Mudgee. Polding were named champions after defeating Sydney North in the grand final. At the conclusion of the championships Khan Jackson was named in the NSW PSSA Rugby Union team and will compete at Nationals at the Gold Coast in October. This is Khan's second state selection this year, an extraordinary achievement. Congratulations Khan, we are very proud of you!

The ICAS Mathematics competition scheduled for Tuesday will now be held on Wednesday this week due to the show holiday. This is the final ICAS competition for our students.

Our infants students had a fantastic day last Friday at the 'Paint the town ReAd' Reading Day. The children came dressed in some wonderful costumes and outfits to celebrate reading day and had a wonderful time participating in activities down the main street and in Cooke Park. Congratulations to the children on their outstanding behaviour on the day.

On Thursday all students will be attending a performance of Cinderella by Opera Australia in our school hall. This will be a wonderful cultural experience for everyone.

A reminder that we will be having a special Father's Day breakfast on Friday commencing at 8am. All dads are invited to come along and have a bacon and egg roll whilst their children go shopping at the Father's Day stall being run by our P&F. The breakfast will be held in our school hall (or outside if the sun is shining). Looking forward to seeing lots of dads at the breakfast!

Term 3 Week 7: Manner of the Week (From our Core Value - In Love)

❖ Forgive and reconcile

I have two challenges for you this fortnight. You can attempt one or both and there will be two prizes. Enjoy the challenges with your family and friends.

This fortnight's challenges -

Each hexagon is made by adding up the numbers in the two hexagons below it. Fill in the missing numbers in this puzzle.

The numbers in the circles added together make the number in the linking rectangle. Find the missing numbers in this puzzle.

If you solve the problems and there are multiple winning entries, your name will go into a draw. The winners will be drawn out of a hat and receive a prize at our School Assembly. Please write your name and answer on a piece of paper and hand it to me any time this week.

I hope everyone has a great week.

KEEPING SAFE AROUND SCHOOL CROSSINGS

For your child's safety, it's very important to ensure they use the school crossing.

At all crossings you must wait on the footpath, at least one step back from the edge of the road.

If there's a School Crossing Supervisor, wait until they have stopped the traffic and called you to cross. If you are driving, you must not proceed until the School Crossing Supervisor's hand-held sign is no longer displayed, or until the crossing supervisor indicates that you may proceed through the crossing.

Children's crossings

Children's crossings are usually part-time crossings that operate before and after school hours. They can also operate at other times when children use the crossing for excursions or during break times. When 'Children Crossing' flags are displayed, you must stop at the white line if pedestrians are waiting to cross. Drivers must remain stationary until the crossing is clear of pedestrians.

For more information on keeping our kids safe around schools visit the parents section on safetytown.com.au

Holy Family Cookbook

We want your best recipes! Your midweek go-to, your weekend dinner party, your Sunday afternoon baking blitzes, your let-the-kids-loose in the kitchen faves.

And if you want to get insta-happy, send us a photo too - the meal itself, or the fam cooking.

We'll use your recipes to create a wonderful keepsake, an inspiration for kitchen time with the kids - and to raise money for the Holy Family Parents and Friends association.

Please submit your recipes and pictures to pandf.holyfamilyparkes@gmail.com by end of Term 3, and we'll get cracking on the cookbook.
